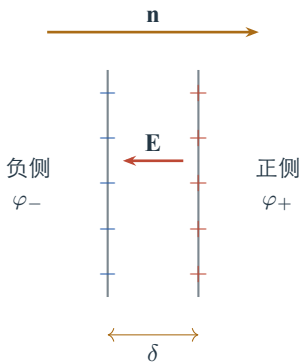
M3-012a 有限厚度偶极层与电势跃变



$$\mathbf{E}_{\text{layer}} = -\sigma\mathbf{n}/\varepsilon_0$$

$$\varphi_+ - \varphi_- = \sigma\delta/\varepsilon_0$$

$$\sigma\delta \to \mu\text{:}\ \Delta\varphi = \mu/\varepsilon_0$$

层外两侧 $\mathbf{E} = 0$
