M6-H36　滞后负载与超前负载下串联阻抗压降的相量方向

滞后电流

$$\Delta U_{\parallel} \simeq I(R\cos\phi + X\sin\phi)$$

超前电流

$$\Delta U_{\parallel} \simeq I(R\cos\phi - X\sin\phi)$$

比较同一电流大小下压降的实轴投影；近似纵向压降为零不表示精确电压模差严格为零。
